The Mayodan Police Department report on me and my mother. Now Chief Caruso lied to my family on August 28, when I told him right as he spoke with me about the executing the search warrant, I stated to him "Was Phil Berger apart of this?" or something like that as my memory may be a little fuxxy. He responded in front of my family and me saying that "Berger doesn't even know about this!!" However records show that the Rockingham County District Attorney's office was involved even before the search warrant was executed. Phil Berger Jr. was the DA of Rockingham Co in 2012/2013. I written various attack article pieces online stating that Berger betrayed his constituents he was supposed to represent, and may have violated his Oath Of Office and stated that he would be removed from office online and that would scare any politician when a activist asserts that he is investigating a politician and that the same very politician will not win reelection and will be removed from office, all before I was investigated for child porn.

N A R R A T I V E	<p>On Wednesday, August 22, 2012 at 1400 hours, I, Detective Sergeant Todd Brim, received a report of a possible Child Pornography case at 413 North 2nd Avenue in Mayodan, North Carolina.</p> <p>I met with Reidsville Police Detective Robert Bridge at his department to discuss this case. Detective Bridge stated that he was a member of the Internet Crimes Against Children (ICAC) Task Force. According to Detective Bridge, he discovered that an Internet Protocol (IP) address in our jurisdiction was being used to download child pornography.</p> <p>Detective Bridge said he obtained a subpoena for the IP address information, and determined that the IP address was registered to Roberta Hill of 413 North 2nd Avenue in Mayodan, North Carolina. Using this information, I confirmed that Roberta Ruth Hill and her son, Brian David Hill, resided at this residence through verification of utilities and police officer knowledge.</p> <p>At 1430, I phoned Chief Charles Caruso and asked him to drive by the residence and photograph it with his cellular phone. I also requested that he check for any open and unsecured "Wi-Fi" signals in the area. He photographed the residence and noted that no unsecured "Wi-Fi" signals were being broadcasted by any residents in the area of 413</p>

North 2nd Avenue.

While in Detective Bridge's office, he showed me the webpages and downloaded files that were retrieved by the ICAC software. The videos downloaded by the Hill's IP address (24.148.156.211) were child pornography, commonly referred to as Pre-Teen Soft Core (PTSC) and Pre-Teen Hard Core (PTHC). I personally viewed a five second segment of each video and confirmed that it was child pornography.

Detective Bridges said that the person or persons using IP address 24.148.156.211 were utilizing Peer to Peer (P2P) file sharing programs to download pornographic videos and pictures of children. These programs require that the person operating the computer search for specific content to download. Therefore, it was determined that whomever downloaded the images and videos using IP address 24.148.156.211 did so deliberately and not accidentally. Using this information, Detective Bridge and I wrote a search warrant for Roberta Ruth Hill, Brian David Hill and the premises and property located at 413 North 2nd Avenue in Mayodan, North Carolina.

On Tuesday, August 28, 2012 at 1400 hours, Chief Charles Caruso, Captain Donnie Barker, Sergeant Jason White, Officer Wayne Williams, Detective Robert Bridge and I executed a search warrant for Roberta Ruth Hill, Brian David Hill and the premises and property located at 413 North 2nd Avenue in Mayodan, North Carolina.

Captain Barker and Officer Williams secured the sides of the residence. Sergeant White and Detective Bridge secured the rear of the residence. Chief Caruso and I approached the front of the residence.

I knocked on the front door and was greeted by Roberta Hill. I walked into the residence and announced that I had a search warrant for the property. Brian Hill was sitting on the couch with his black Toshiba laptop computer in front of him. Ms. Hill's parents were also present and sitting on the couch beside Brian.

I told Ms. Hill that I was searching the residence for computers and hard drives (HD) that may contain child pornography. Detective Bridge explained that computers associated with their IP address (24.148.156.211) were being used to download pornographic images and videos of children. At that point, Brian put his head down in his hands and started shaking his head. He said, "I can't believe...." and Detective Bridge stopped him. Detective Bridge told him that he would have an opportunity to speak with us when the search was completed.

Captain Barker and Chief Caruso escorted everyone outside. Detective Bridge, Sergeant White, Officer Williams and I secured the residence by checking each room for additional occupants. Once the house was secured, I released Officer Williams. Sergeant White assisted with loading items that Detective Bridge and I seized as part of this investigation.

I began my search in the upstairs rooms. I seized Brian's black Toshiba laptop computer, which was in the living room. In Roberta's bedroom, I seized a Seagate external hard drive (HD) and a silver Toshiba laptop computer. I also seized several CD's and DVD's that appeared to be homemade.

Detective Bridge and I walked downstairs to Brian's room. We noticed that Brian had an array of computers, monitors and other computer related devices in his room. Due to the high volume of electronic equipment, we felt it necessary to bring Brian inside the room and ask him questions about his equipment. Detective Bridge said that he did not want to move anything until he knew it was safe to do so.

Brian came downstairs and we asked him about his computer setup. He said that everything was safe to move. He said that he did not have any explosive devices or "booby traps". Detective Bridge said, "Brian, you have a lot of computers and CD's down here. You don't have to say anything, but you know what we are looking for. I don't want to take all this stuff if I don't have to. I also don't want to damage it in the process. So do you want to tell me what I should be focusing on, or do we just need to take everything we see?" Brian said, "No. I will cooperate. I don't want to hurt anyone. Most of this stuff doesn't even work. My computer upstairs has all my files on it. I don't think any of

these computers are what you are looking for. What do you want to know?" Detective Bridge said, " I am looking for any computer or any files that contain child pornography." Brian said, " Well, then you want the one upstairs. I can't remember if any of these have kids on them or not."

Detective Bridge told Brian that he appreciated his honest and I escorted him out of the house. We began searching his room for hard drives (HD) and CD's that may contain child pornography. The items seized were photographed and placed in a departmental vehicle. Sergeant White and Detective Bridge transported them to the department. The seized items were photographed and itemized. A copy of the seized items was included with the original search warrant and a copy was given to the Hill family. While I was conducting the inventory, Detective Bridge was evaluating the internal hard drive (HD) that he took from Brian's laptop computer. In a matters of minutes, he was able to retrieve numerous pornographic images and videos of children. All the evidence was packaged and placed inside the department's evidence room.
